

**Deerfield Park District's**

# **Kinder Club**

**Before & After Kindergarten Care**

at

**Sachs Recreation Center**

The Deerfield Park District is pleased to provide Kinder Club, a multi-faceted before and after kindergarten enrichment program, during the 2009 – 2010 school year. Based on the philosophy that children learn through play and experience, Kinder Club is designed to spark children's interest in a variety of activities while they grow in confidence and self-esteem.

Kinder Club activities will change as the year progresses to help children develop new perspectives. A wide selection of activities, equipment and experiences promote many new skills and interests.

Daily activities will encourage development of language, gross motor, small motor, thinking, social and emotional skills. These skills are the foundation for future formal learning.

Children will work and play with others. They will solve problems, express feelings and generate ideas in a happy yet challenging environment where they can explore their expanding world.

A typical day will consist of a variety of activities that include:

Group Circle Time  
Free Choice Time  
Music & Movement  
Small and Large Motor Activities  
Art Concepts and Easel Work  
Special Projects

Other Special Weekly Activities include:

Swim Lessons  
Tennis, Soccer, Basketball  
Science, Reading, Math Activities  
Dance/Gymnastics  
Sporting Activities
