

**Sun 'N' Fun
Buddy Request Form**

If you would like your child to be placed in a group with **one** of his/her friends you may fill out this form. In order to insure that your buddy request is honored, it must request only **one** friend, and the friend must complete an identical Buddy Request. If more than one friend is requested or an identical request is not submitted by the friend, the request will not be honored. Please note if your child is at the same site as other friends he/she will still participate in many activities with them. The only time children are separated per counselor groups are for attendance, safety purposes, and some group activities. **Buddy requests must be submitted to the Jewett Park Community Center, 836 Jewett Park Drive, Deerfield, IL, 60015 or faxed to 847-945-0699 by Friday, April 30, 2010.**
