introduces a new giving opportunity at Deerspring Pool...

Go Fish!

Deerspring Pool patrons now have a great opportunity to make a permanent declaration of their community pride by making a donation to the Go Fish giving program. As a contributor to the Go Fish campaign, you can have fun with your family every time you visit the pool, as you see your special, custom-engraved fish displayed on the wall at the entrance to Deerspring Pool.

Donors may choose among three fish donation categories: \$30 for the small fish, \$50 for the large fish, and \$500 for the corporate fish. Each brass-finish fish has an engraveable area consisting of 3 lines (15 characters each), and will be mounted in groups of 10.

I would like to purchase _____ *small fish* and/or _____ *big fish* and/or _____ *corporate fish* for the Deerspring Pool entrance area. (Each fish may contain a maximum of three lines with 15 characters/spaces per line.) The inscription(s) should read as follows:
