**REGISTER  
ONLINE**

**The Deerfield Park District is pleased to announce the availability of online web registration!**

**Who is eligible?**

Any household that completes the Web Registration Enrollment form and provides proof of residence (utility bill, tax bill, etc.) will be provided with a user ID and password to access the registration website. You also need a valid e-mail address to receive receipts and other important announcements.

**What programs are available for online registration?**

While the majority of park district programs are available online, there are a few exceptions. These are usually programs that require tryouts, prerequisites, or prior instructor approval.

**How is online registration being introduced?**

We have phased in web registration to allow time for testing and development. For Fall 2005, we offered online registration only after the lottery enrollments were finished. The registration website was available during the same time as walk-in registration. **Starting with the Winter 2006 season, the entire registration period will be available online (lottery and walk-in).** Of course, we will continue accepting registration forms in person, by mail or via fax.

**Will I know right away if I get into a program?**

Yes, the online registration process works in real time, so, as soon as you complete the payment process your enrollment is confirmed. If a class is full, you can join the waitlist online, just like a normal registration. Starting with Winter 2006, you can submit lottery enrollments online and you will be notified of your enrollment status after we complete the lottery process.

**How do I get more information?**

Drop off, fax, or mail your Web Registration Enrollment form **with proof of residence**. You will receive an e-mail with your family's user ID and password for online registration. Also, check our website at [www.deerfieldparkdistrict.org](http://www.deerfieldparkdistrict.org) for more information – look for the Register Online graphic.
